

Photoshop

Next Steps

Improve your Photoshop skills

If you've been on a Photoshop First Steps course or you already have a good understanding of Photoshop, Next Steps is for you; creative use of lighting effects, sketch and distort filters, photomontage....

**Wednesdays 2-4pm, six weeks: starting 8th June
Here at Wellington Methodist Church**

Call Liz Doody, the Photoshop course tutor, for more information or for details of Photoshop beginners courses on 07970 709116.

image manipulation retouching and lots more
